FoSH Spring Newsletter

Happy New Year and welcome to the Spring Newsletter 2020!

Christmas Fayre

Thank you to everyone who contributed to the day. With your help we were able to raise a whopping **£1,463**. We look forward to sharing with you the difference this money will make to the children.

There are a number of other ways in which you can help raise funds for the school throughout the year, all of which are simple and easy to do. Doing just one of these will make a difference. They include:

School Lottery

The school lottery is a weekly lottery that helps raise money for the school with 40p of every £1 ticket sold going to the school. Chances of winning are also high with a guaranteed winner each week from Stockton House School and a chance to win the top prize of £25,000. It costs just £1/week (£4.34 per month via Direct Debit) and helps raise much needed funds for the school. Please visit <https://www.yourschoollottery.co.uk/lottery/school/stockton-house-school> for more information or look at what we have purchased so far on the school website: <https://www.stocktonhouseschool.co.uk/friends-of-stockton-house-school-fosh/>

Cash 4 coins

Going abroad this year? Keep hold of any spare coins when you return and bring them into school, they can be turned into fabulous new resources for the kids.

Name Stamps for Clothing, Bottles, etc.

If you've bought new clothes for the Spring Term why not use Stampstastic to name all of your child's belongings. A personalised stamp that can be used on a variety of materials. Quote code GU514NS at www.stampstastic.co.uk when ordering your stamp and the school will receive a commission which can be used towards resources for the children.

FoSH Members

We're always in need of new members (especially as many of the current committee members will be leaving in July when our children graduate from Stockton House School) so if you would like to get involved please contact us through our Facebook page, address at the bottom or stop by after drop off on **Tuesday 21st Jan 2020** when a few of us will be around to answer any questions you may have around signing up.

Alternatively, you can send an email to fosh@stocktonhouseschool.co.uk with any questions or queries you may have regarding FoSH and what we do.

Thank you and good luck for the new term!
