WEEKLY HIGHLIGHTS

Welcome to Butterfliy Class!

W/C 14th Sept, we have been looking at "my body" as a topic, talking about our families and making houses and faces. We have made our own toothpaste and cleaned (pretend) teeth in class to practise getting them super shiny.

W/C 21st Sept, this week we are going to be exploring the 5 senses with activities for each one including, textures for touch, foods for taste, spices for smell, musical instruments for sound and making telescopes for sight. It's going to be such a fun week!
