WEEKLY HIGHLIGHTS

W/C 5th Oct, we looked at different types of transport. We created our own planes and have had the train tracks to play with as well as a mechanic area for us to fix and build cars. We sung the wheels on the bus and looked for planes in the sky and listened for the trains as they went past whilst we were in the garden.

W/C 12th Oct, this week we are going to be continuing with our transport theme, we will be making binoculars to see what we can sport from the garden. We will be creating bridges and tunnels from different materials to use when playing with the cars, trains and trucks. We will be setting up a car wash station in the garden.
