WEEKLY HIGHLIGHTS

W/C 2nd Nov, we have been looking at firework patterns, creating pictures using chalk dust and shapes, tracing patterns and looking at bonfires. We have made our own edible sparklers (from breadsticks, chocolate and sprinkles). We have been creative and mixed colours and used different methods to mark make.

W/C 9th Nov, this week we are celebrating nursery rhyme week. We will be seeing how tall we can build a wall for Humpty Dumpty to fall from, making fish (1,2,3,4,5), playing row row row your boat during carpet time and exploring some fun tuff tray activites. We will be talking about Rememberance Day and making our own poppies.
